October 2018

Dear Parents/Carers

**Post 16 Careers Event, Thursday 11 October 2018**

We would like to invite you and your son/daughter to a careers event on the evening of Thursday, 11 October. The evening will begin at 5.30 pm in the Ritchie Hall with a series of short presentations from outside speakers. Following the presentations, you will be invited to move to a careers fair in the Old Gym where we will be joined by a range of exhibitors including regional colleges, training/apprenticeship providers, universities and local and national employers. The careers fair will enable you and your son/daughter to speak directly to employers and training providers about the opportunities on offer. The evening will close at 7.00 pm.

This event is part of the Academy's wider focus on careers education, which aims to broaden students' horizons by providing impartial advice and guidance to open their minds to the increasing number of paths that are available.

We would be grateful if you could return the reply slip overleaf to us by Monday, 8 October confirming receipt of this letter and confirming how many seats you require

We look forward to welcoming you to this event and in the meantime if you would like more information on post 16 options please visit the Academy's dedicated careers pages.

Yours sincerely

Mrs K Martindale  
Head of CEIAG

Mrs S Hills
