Finally, in order to complete the expedition section of the award you will be required to attend **weekly** training sessions after school on a Thursday for up to 1 hour 30 minutes. These will start after half term and continue for the rest of the year. Failure to attend these meetings will result in you being unable to attend the expedition, and someone else may be offered your place in the group. There is a big time commitment with completing the award and we need students to understand this before they sign up. There is a limit to the size of the group, so please ensure that you complete this application as fully as possible, in as much detail as possible.
