

ESS/LPWorkshop/LH
12 September 2018

Dear Parent / Carer

Year 7 Workshop Opportunity

Your child has been chosen to participate in a workshop tomorrow morning with a company called Learning Performance here at Longsands. We are very excited to be working with Learning Performance who will be providing workshops to selected students in all year groups throughout the year. They will also be working with staff and we will also be inviting a small number of parents into school later in the year to take part in a workshop with their son/daughter in the evening.

Learning performance will be focusing on moving up to Secondary School, how to manage their time, communication skills, teamwork and will begin to encourage students to think about setting goals for the future.

The workshop will take place in our new build drama space from 9.00 -11.00 am. Students should go to registration as usual and their tutor will then send them over to the new build ready for the workshop.

We hope that the students feel that the workshop has been useful, there will be a further one for the same group of students later in the year to follow up on the one tomorrow.

We look forward to hearing feedback from the students following tomorrow's event.

Yours sincerely

Mrs H Breakspear
Senior Assistant Principal – KS3
