Re: Former HRC building, Almond Road, St Neots

Dear Parent/Carer

I am writing to inform you that we are about to start work on the above site.

The works, which are due to start on 29 February, will redevelop the existing building to provide educational facilities for children and young people.

To make sure this is carried out as quickly and safely as possible, all of the space people use for parking will be needed for site welfare, construction traffic, deliveries and administration for the appointed contractor, Borrás Construction Limited.

Pedestrian access for Longsands students accessing Longsands via Almond Road will be maintained during the construction period.

We apologise as we recognise there will be disruption to the car park area and we would like to encourage you to seek alternative travel arrangements.

We hope the scheme will be completed by the end of October 2016.

Kind regards

Jo German  
Education Capital Team
