TO: ALL KS3 (Yr 7,8&9) PARENTS/CARERS

Dear Parent/Carer

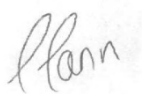

Re: SPORT RELIEF – Friday 18 March 2016

To support KS4 with their activities planned for the day, students are allowed to wear non-uniform clothing on the day for a charity donation of £1. As with all non-uniform days, we would ask that students avoid wearing items which are overly revealing or contain offensive slogans. If students are unclear of appropriate dress then they must ask for advice from their form tutor.

Year 10 will be hosting a 'food market' and have invited all other year groups to come and buy food and drinks at breaktime, so if your son/daughter wishes to purchase anything they will need some money to do so.

It should be an enjoyable day for everyone, whilst raising money for Sport Relief

Yours sincerely
