

MLP/VLE/LH
February 2018

Dear Parent/Carer

Longsands VLE

In light of recent communications regarding items such as the SIMS parent app, achievement points and Year 10 centralised detentions, please find below a reminder of how to login to our VLE, an aid to supporting your child through their education at Longsands Academy.

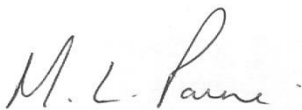

In order to log on to the VLE, please go to <https://www.longsands-academy.org> and fill in the details for your son/daughter in the 'Login (parents)' section – you will need to provide their first name, last name, date of birth and current tutor group (including the current year – e.g. 11AAB). The required data should be entered in the format requested on the log-in form. Once you are ready, click on the 'Log in' button in the parental login section.

You will now be able to see your son's/daughter's home page: on the left will be a list of their achievement points, along with the subject in which they were awarded, and by whom. At the top-right of the page is a list of any current home learning – that is, any tasks assigned to your son/daughter which have not yet reached their due date. You can click on a task to view further information, if available.

If you would like to view past home learning tasks for your son/daughter, you can click on the subject icons in the bottom-right area of the homepage to view the page for that subject. This will allow you to view all tasks set for that class. Click on the 'Home' button to return to the VLE homepage at any time.

If you should have any queries, please email enquiries@longsands.cambs.sch.uk

Yours faithfully

Martin Paine
Headteacher
