

Dear Parents/Carers

The Year 11 Leaver's celebration yesterday was a real pleasure to be part of. The opportunity to reminisce and to celebrate the student's success was enjoyed by both staff and students alike.

In order to document these memories the Year 11 Prefects worked incredibly hard to design and compile a yearbook which should serve as an excellent keep-sake. Unfortunately the care and attention taken by our prefects to produce a brilliant yearbook was not replicated by the printing company; many of the pages came away from the spines of many of our students yearbooks.

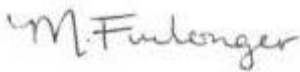

On behalf of the printing company we offer an apology to anyone whose book was damaged through no fault of their own. The printing company will replace any damaged yearbooks as they have accepted full responsibility. Therefore, if your son/daughter has a damaged/faulty yearbook and would like a free replacement please email [KBaker@longsands.cambs.sch.uk](mailto:KBaker@longsands.cambs.sch.uk) by Monday 18<sup>th</sup> July.

The printing company have assured us that the new yearbooks will be printed immediately. Therefore, following delivery and processing the yearbooks will be available for collection at the GCSE results day on Thursday 25 August.

Please also be aware that for any student who has completed the Duke of Edinburgh Award Scheme that their certificates and badges will also be available for collection on GCSE results day.

Once again, we are very sorry for the poor quality of the yearbooks that have been produced and apologise for any inconvenience that this has caused.

Yours Sincerely

Miss M Furlonger  
Head of Year 11
