

26 February 2013

Dear Parents/Carers

Students in Year 10 will be taking part in charity events on Friday 18 March (Sport Relief Day).

Details of how we intend to fund-raise are as follows.

Year 10 will host a 'food market' and invite other Year Groups to come and buy food and drinks at breaktime. Each tutor group will be responsible for a stall, making or bringing in treats to sell.

Each tutor group will dress in a fancy dress theme, which they have decided upon within their form groups. A £1 minimum voluntary contribution will be asked for on the morning. Advice will be given on how to be creative with costumes and how to keep costs to a minimum and to ensure that the costumes are appropriate for school.

All students will take part in a silly mile around Priory Park during period 3, which is being organised by the Sports Leaders. Please encourage your son/daughter to get lots of sponsorship from friends and family! Target per student = £5.

The Year Group will host a Red Nose Day themed talent show during P4. Please encourage your son/daughter if they have a hidden talent to put themselves forward to perform as the performance cannot take place without any acts!

There will be prizes awarded to the form group that have the best fancy dress costumes, the best stall and for the form group that finishes the silly mile in the fastest time.

It should be an enjoyable day for everyone, whilst raising money for Sport Relief.

Please do not hesitate to contact me if you have any queries and I hope your son/daughter enjoys taking part in the enriching day.

Yours sincerely

Mrs V Parsons
Head of Year 10
