

17 April 2018

Dear Parent/Carer

## Year 10 Exams

During this half term, all Year 10 students will undertake assessments and examinations to capture their end of year attainment and accurately position them for the year ahead. This process will take place as published on the reverse of this letter, beginning Wednesday 2<sup>nd</sup> May.

Students will sit exams or participate in assessments in all subjects. Exams will be held in the Sports Hall under formal exam conditions.

As an Academy we believe that it is important that our students become familiar with this process so they are best placed for success when they sit their external exams in Year 11. To help you to prepare your child for their examinations we would like to invite you to a **Year 10 Progress Information Evening** on **Wednesday, 25 April** from **6pm-7pm** in the **Ritchie Hall**. During the course of this evening, we will share with you ways in which we can all support students with their exam preparation. In addition, if you would like to re-cap what your child has covered over the year please refer to the 'Information' tab of the Academy website and look at the curriculum pages. Within this, there is a Year 10 Curriculum Booklet which itemises subject content for each curriculum area.

Yours sincerely,

**Mr N Owen**  
Senior Assistant Headteacher (KS4)

**Mrs V Parsons**  
Head of Year 10

**Mrs M Carpenter**  
Examinations Manager

			Access arrangements students will be in the rear of the Sports Hall unless separately notified. All exams will be in the Sports Hall except Media and Music.		
<b>Year 10 Exams 2nd - 14th May 2018</b>
