

Year 11 Summer 2017 Exam Results

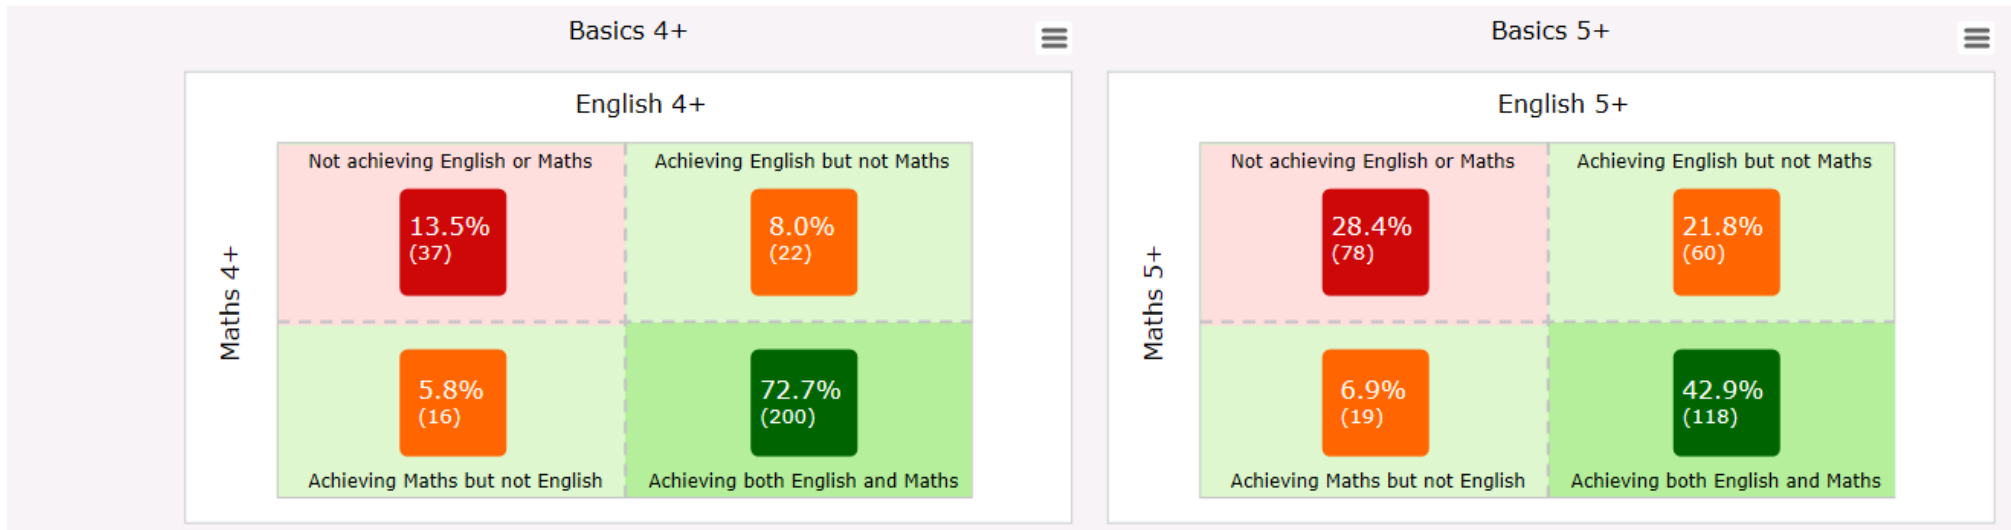

These are the provisional results for the performance of students at Longsands Academy at the end of the academic year 2016/17. Students who did not complete their studies at Longsands and were transferred to an alternative provision have been excluded from these figures. However, all of our Year 11 students secured a post-16 pathway and 0% are recorded as being NEET (Not in Education, Employment or Training).

In a significant number of subject areas our KS4 results outperformed national averages at grades 9-4 or A*C including English Language (73.2% vs 69.6%), Maths (78.3% vs 70.7%), Biology (96.8% vs 91.2%), Chemistry (96.8% vs 90.1%), Physics (95.7% vs 91%), French (70.8% vs 69.2%), History (68.9% vs 65%), RE (74.4% vs 71.5%) and Music (78.6% vs 75.1%).

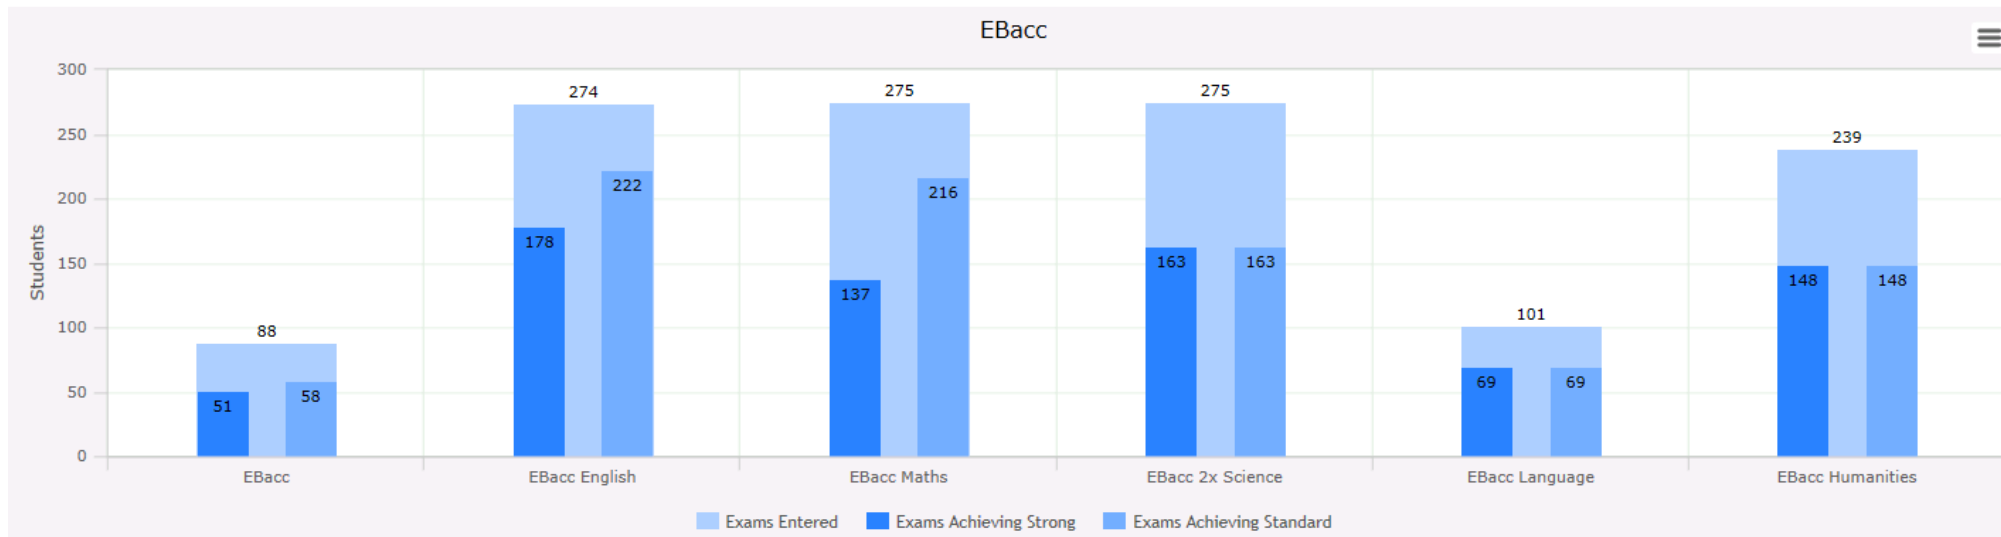

In January 2018, the Department for Education will publish revised figures, which will include updates, for example due to late results, amendments following re-mark requests and pupil changes made via the schools checking exercise.
